Dear Hiring Manager,

I'm thrilled about the opportunity to apply for the Technical Consulting Engineer position at Cisco. I have always had natural problem-solving skills, and working in tech support is the perfect job for my skill set. Helping clients solve technical issues and knowing that I've had a positive impact on someone each day is highly rewarding and motivating to me. I have learned that I enjoy working in this field and that I can prove to be a valuable asset with my present skill set. I enjoy working with like-minded people, and I am a team player.

I enjoy building a relationship with each client and ensuring that they receive the ultimate customer support. I graduated from NIIT University with a four-year degree in BTech CSE. I am also certified as a computer support specialist and undergo additional training twice a year to ensure that I remain up to date with the latest technical services.

Thank you for taking the time to consider my resume and cover letter. I'm looking forward to finding out more about the Technical Consulting Engineer position at Cisco. Customer service is always my top priority, and it is my goal to provide the best customer support available for each client while becoming a valuable asset at Cisco. If you wish to learn more about my experience and skill set, please contact me at any time.

Sincerely,

Shalom Shreyan
